Course Introduction

This 5-day intensive course equips aspiring and current healthcare leaders with the knowledge, skills, and competencies necessary to effectively navigate the complex challenges of the modern healthcare environment. Participants will develop strong leadership qualities, enhance their strategic thinking abilities, and learn to lead high-performing teams while ensuring patient-centered care and organizational success.

Training Method

- Pre-assessment
 - Live group instruction
 - Use of real-world examples, case studies and exercises
 - Interactive participation and discussion
 - Power point presentation, LCD and flip chart
 - Group activities and tests
 - Each participant receives a binder containing a copy of the presentation
 - slides and handouts
 - Post-assessment
- 

Course Objectives

Upon successful completion of this course, participants will be able to:

- Understand the key principles of effective leadership in healthcare settings, including vision, mission, and values.
- Develop and implement strategic plans that align with organizational goals and address the evolving needs of the healthcare industry.
- Lead and motivate high-performing healthcare teams to achieve operational excellence and improve patient outcomes.
- Foster a culture of quality, safety, and patient-centered care within their respective departments or organizations.
- Navigate complex organizational challenges such as resource allocation, financial management, and regulatory compliance.
- Enhance their communication, interpersonal, and negotiation skills for effective leadership.
- Develop and implement change management strategies to adapt to the evolving healthcare landscape.
- Understand and apply ethical and legal considerations in healthcare leadership.

Who Should Attend?

This course is designed for a wide range of healthcare professionals aspiring to leadership roles, including:

- Mid-level managers: Department managers, unit supervisors, clinical coordinators.
 - Aspiring hospital administrators: Those seeking to advance their careers into leadership positions.
 - Physicians and other clinicians interested in leadership roles.
 - Healthcare professionals seeking to enhance their leadership skills.
- 

Course Outline
