Course Introduction

This 5-day intensive course is designed to empower healthcare innovators with the strategic leadership and HR expertise necessary to drive transformative change within their organizations. Participants will explore the unique challenges and opportunities of leading innovation in the healthcare sector, focusing on building high-performing teams, fostering a culture of innovation, and navigating the complexities of the healthcare workforce.

Training Method

- Pre-assessment
 - Live group instruction
 - Use of real-world examples, case studies and exercises
 - Interactive participation and discussion
 - Power point presentation, LCD and flip chart
 - Group activities and tests
 - Each participant receives a binder containing a copy of the presentation
 - slides and handouts
 - Post-assessment
- 

Course Objectives

Upon successful completion of this course, participants will be able to:

- Develop and implement strategic leadership approaches tailored to the healthcare innovation landscape.
- Build and lead high-performing, interdisciplinary teams that drive innovation.
- Foster a culture of innovation, collaboration, and continuous improvement.
- Understand the unique HR challenges and opportunities in healthcare innovation.
- Develop and implement effective talent acquisition, development, and retention strategies.
- Navigate the complexities of the healthcare workforce, including regulatory compliance and workforce planning.
- Leverage technology and data analytics to enhance HR and leadership practices.
- Lead change management initiatives to successfully implement innovative solutions.
- Understand the ethical and legal considerations in healthcare innovation and leadership.
